Enesta –

This is Susan at Dr Oz. Long time, no speak.

I'm copying Stacy Rollins, our editorial producer who is putting together our segment on this story.

Who is best contact for us at EPA regarding the Esmond family possible pesticide poisoning in USVI?

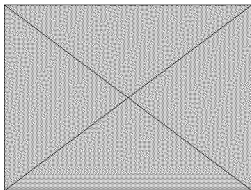

1. To put in request for Judith Enck (she's been superb on TV)
2. To get the latest info from EPA
3. To outline for us EPA scope of investigation – for example, is EPA representing

the family?

Thx!

Best –

Susan
